

Title I ELIGIBILITY NOTIFICATION (Email)

Dear Parent/Guardian:

September 2022

Cape May Technical High School is committed to supporting the academic needs of our students. As a result, we are notifying you that your child is eligible for additional academic assistance to ensure equal opportunity for mastery of the New Jersey State Learning Standards (NJSLS) and proficiency with NJ High Stakes Assessments such as the New Jersey State Learning Assessments). As such, additional support will provide extra support in class, at after-school tutoring, and through online resources. The academic support your child receives will be specific to their needs.

Entrance and exit criteria for assistance are based on standardized testing, past academic success, teacher feedback, parent involvement, student reflection, and support from our Guidance and Child Study Team. Specific programs based on predetermined students' needs will target those most in need of assistance and will be monitored by classroom teachers closely. Any parent/guardian can access all grades at any time through PowerSchool,

Cape May Tech offers after-school tutoring beginning September 19, 2022. It is available Monday through Thursday each week and transportation home is available. Our updated calendar of provided tutoring sessions can be found on our district website.

All schools are required by the Every Student Succeeds Act (ESSA) to develop a compact for their Title I students. The ESSA replaces the No Child Left Behind Act (NCLB) and is the latest reauthorization of the Elementary and Secondary Education Act (ESEA). Together, we agree upon a compact that is a plan of action to help your child. This compact can make a big difference in your child's education and future success. Below and attached, you will find a copy of the compact for you and your child to review and [sign digitally using the following link](#) as well as the annual [Right to Know](#) notification. After reading the attached [compact](#), if you have any questions, please contact me using the information below.

Thank you,

Kristen T. Schaffer
Director of Curriculum & Instruction
Cape May Technical High School
Phone- 609-380-0200, ext 692

- 1.) Read the [Compact](#)
- 2.) Read the [Right To Know](#)
- 3.) Fill out the [Survey](#) to digitally acknowledge your commitment and awareness.
