

Craft Entrepreneurship

a free five-part course on selling on Etsy,
the global online marketplace.

March 7 - April 11, 2018, 6 - 8 pm
Cape May County Technical School
Cape May Courthouse, NJ

This free program will equip you with the knowledge and skills you need to start your own online store on Etsy.

Etsy is the perfect platform for home-based crafters, brick and mortar retailers ready to go online, and even entrepreneurs testing market interest in a new product.

Join the 1.7 million sellers who earned \$2.8 billion last year by selling their crafts and collections.

Learn how to earn from a local, experienced Etsy seller in a hands-on, interactive environment.
