Dear Parent/Guardian,

The 2001 No Child Left Behind Act provides funding for Title 1 students, those identified as a student who qualifies for free/reduced lunch. A requirement of the Act is to inform all parents concerning their right to know the qualifications of the teachers who interact with their children daily. The information is included in the State report card and is reviewed annually.

This letter serves the requirement to inform parents of those rights. You will also be pleased to note that all faculty members at Cape May Tech are “Highly Qualified” according to the definition provided by NCLB. Be assured that we will continue to provide quality instruction and unique educational opportunities for our students.

Sincerely,

Michael C. Adams
Principal
