## **Important Announcements**

### **ON-LINE SCHOLARSHIP SEARCH ENGINES**

Looking for money to pay tuition, fees, and other costs? Who isn't!

Try [www.college.gov](http://www.college.gov) or [www.scholarship.com](http://www.scholarship.com)

### **INSTITUTIONAL SCHOLARSHIPS**

Also, search the colleges' web sites for links to scholarship opportunities. Apply to colleges before December 2009; scholarship money is distributed to qualified applicants as they are accepted and is exhausted quickly. Colleges use SAT scores, GPA, and rank in class to determine recipients.

### **ACCC PLACEMENT TESTING**

ACCC requires SAT scores of 540/CR and 530/M to gain acceptance at the college level. Applicants who have not taken the SAT or have not reached SAT requirements in one or both parts may use placement testing to gain acceptance. ACCC placement testing uses the Accuplacer Exam; search the test name on-line to discover descriptions, study guides, and test-item samples. Go to [www.collegeboard.com](http://www.collegeboard.com) for an excellent explanation of the exam's content.

### **FAFSA**

The Free Application for Federal Student Aid (FAFSA) is the single most important document for receiving financial aid; in fact, it is a must to receive grants, work-study, and loans. Some merit scholarships, for example NJ Star, also require FAFSA submission. Go to <http://www.pin.ed.gov/> now to get a Personal ID Number (PIN), **but do not submit your data before 1 January 2010**. In about two weeks after entering the data, an applicant will receive a Student Aid Report (SAR). Placing a New Jersey Public University first in the choice of colleges or technical schools the student lists to receive the report will produce the NJ State report of financial assistance in addition to the Federal one.

#### **SAT & ACT**
