

Summertime Adventures For Kids 2011
Cape May County Technical School
188 Crest Haven Road
Cape May Court House NJ 08210
(609)465-2161, x646

Summertime Adventures for Kids is a "hands-on" summer experience for youths ages nine to fourteen. Class offerings are designed to share exciting, practical, creative, enjoyable, and educational experiences in the following interest areas: foods/cooking, law/public safety, marine/environmental, strategic games, TV/media and woodworking. Each class is tailored to the age levels as stated in the class description.

Session 1:

Monday, July 11 through Friday, July 15

Session 2:

Monday, July 18 through Friday, July 22

Cape May County Technical School approved teachers will staff and administer all programs.

On the first day of each session all students will meet at 9:00am in the Technical School's Cafeteria, located in the Tozour Building Room 125, for a brief orientation. Parents/guardians are encouraged to attend this orientation.

Registration begins Monday, May 9, and concludes Friday, July 8, 2011.

Time: 9:00am to 12:00noon

How to register for classes:

In-person: Complete the attached registration/health history emergency information form (one registration form per child) and submit in-person to the Cape May County Technical School's Evening/Continuing Education Office #145 (located in the Tozour 100 Building) according to the following schedule:

Office Hours: Monday through Friday,
9:00am to 3:00pm starting May 9, 2011.
(No registration May 30 or July 4, school closed.)

In-person registrations may be paid with cash, check, money order, Visa, MasterCard, Discover, credit or debit cards.

By postal mail: Complete the attached registration/health history emergency information form (one registration form per child) and mail it along with your check or money order (made payable to CMC Tech) to:

Cape May County Technical Schools
Evening/Continuing Education Division
188 Crest Haven Road
Cape May Court House, NJ 08210

Mail-in registrations will be confirmed after processing. A copy of the registration form will be returned to the applicant as a receipt.

**All registrations (in-person or via postal mail) are processed in the order in which they are received. Class size is limited.*

A Strategy Games Odyssey: 2011

Engage your brain in a program which will enhance your critical thinking skills through fun and competitive strategy games from all around the world. Students will be challenged with a variety of easy to learn (but hard to master) games and coached through gamesmanship tactics in the spirit of good sportsmanship. Some of the game offerings include: Chess (Standard & Chinese), Checkers, Risk, Connections, Blokus, Quoridor, All the Kings Men, Shuttles, Rumis, Othello, Fire & Ice, Quixo, Shogun, Labyrnith, Point Blank, Spy vs. Spy, Eureka, Pirateer, Traverse, Quatro, Apples to Apples and more!

Instructor: Carlos Pruna, Jr.
Session 1 - (Class number SA101)
Session 2 - (Class number SA201)
Age levels both sessions 9 - 14 years
Registration fee: \$90.00
Class location: Tozour Building Room 133

Crime Scene Investigation

Do you like a good mystery? Are you always trying to figure out who committed the crime and how they committed it? Now is your chance to put your crime solving skills to work as part of a crime scene investigation team. As a crime scene investigator, you will: investigate a crime scene, collect and analyze evidence, identify and arrest a suspect and participate in a criminal trial. There is a mystery out there waiting to be solved. Will you be the crime scene investigator that will solve it?

Instructor: Matt Pleasants
Session 1 – (Class number SA102) Age levels 9-11 years
Session 2 – (Class number SA202) Age levels 12-14 years
Registration fee: \$90.00 + \$5.00 supply fee = \$95.00
Class location: Tozour Building Room 120

***New!* Engineering Adventures**

Get ready to be creative and have some fun as you participate in five, hands-on projects that involve some basics in engineering design. We will see who can design the bridge that can hold the most weight; design model sailboats and race them against one another; and design windmills to test efficiency. You will work as a team to figure out the best way to drop an egg without breaking it. Bring a towel to class on the day we try to find the best way to catch a water balloon and not get wet! Throughout the week, students will work in teams and put their creativity to use as they apply the basics of engineering design.

Instructor: John Longinetti
Session 1 – (Class number SA103)
Session 2 – (Class number SA203)
Age levels both sessions 9 – 11 years
Registration fee: \$90.00 + \$10.00 supply fee = \$100.00
Class location: Tozour Building Room 137

Fun with Foods

This class will cover basic food preparation with an emphasis on healthy choices. Students will prepare and sample breakfasts, lunches, dinners, desserts and snacks. The program will also include recipe reading, correct measurement, care and usage of basic kitchen equipment as well as safety and sanitation. Learn some new culinary skills, be creative with foods, enjoy taste tests and have fun!

Instructor: Gina Tack
Session 1 - (Class number SA104)
Session 2 - (Class number SA204)
Age levels both sessions 9 - 11 years
Registration fee: \$90.00 + \$20.00 supply fee = \$110.00
Class location: Tozour Building Room 107

Marine Adventures

Embark on a sea life adventure. Explore our local salt marsh and meet its inhabitants. Discover the interesting life cycles of fish, birds, crabs, clams as well as other animals that call the salt marsh home. Learn how to catch, handle and prepare delicacies of the estuaries such as soft & hard shelled crabs, clams, oysters and fish. Other class activities will include: constructing a crab pot, making fishing lures, learning to tie knots, seining, bird watching and eeling. This adventure takes students off the beaten path into hands-on discovery. Old clothes and sneakers are a must! Dress for getting wet and muddy.

Instructor: Hans Toft & Hanna Toft
Session 1 - (Class number SA105) Age levels 12-14 years
Session 2 - (Class number SA205) Age levels 9-11 years
Registration fee: \$90.00 + \$20.00 supply fee = \$110.00
Class location: Tozour Building Room 109

T.V. "Behind the Scenes"

This is your chance to experience what goes on in the creation of television production both behind the scenes and in front of the camera. You'll be the news team, the camera crew and the stars as you produce different types of television shows in the studio as well as on location visiting other Summertime Adventures programs. Students will receive a DVD copy of their finished projects.

Instructor: Nancy Driscoll
Session 1 – (Class number SA106)
Age levels 9 – 14 years
Registration fee: \$90.00 + \$5.00 supply fee = \$95.00
Class location: Toft Building Room 329

Woodworking Adventures

This course is for boys and girls interested in experiencing the fun of working with wood. Enjoy planning and creating a variety of personal projects while learning the basics of woodworking. Proper and safe use of hand tools as well as some power tools will also be highlighted. All projects will be suitable to take home and use!

Instructor: Herb Siefken
Session 1 – (Class number SA107)
Session 2 – (Class number SA207)
Age levels both sessions 9 – 11 years
Registration fee: \$90.00 + \$18.00 supply fee = \$108.00
Class location: Tozour Building Room 116
