

# SY 09.10

**Secondary School Name:** Cape May County Technical High School

**Names of Postsecondary Partners:** Atlantic Cape Community College – Stockton College – Cumberland County Community College

In the template below: (a) list the career and technical education courses students will take during secondary school; (b) the number of college credits students will earn for these courses, if applicable; and whether courses are offered for dual credit, concurrent credit, or articulated credit; and (c) the academic courses students will complete during secondary school to fulfill secondary school requirements, or to earn college credits. **For Example:** 9<sup>th</sup> grade 1st period, English Composition I (ENGL 101) 3 dual credits; 9<sup>th</sup> grade 2<sup>nd</sup> period, World History 5 HS cr.

If the school district operates a two-year program of study, place an X through the 9<sup>th</sup> and 10<sup>th</sup> grade columns.

Below are the class offerings for Law and Public Safety students by period. Each period is 40 minutes long. The Law and Public Safety class is two periods each day and those periods are scheduled consecutively so that the students have one large block of class time. (5 days per week times 80 minutes = 400 instructional minutes per week, all other classes are 40 minutes or 200 instructional minutes per week)
