## Customized Training

Would you like to upgrade the skills of your work force in computer training, academic instruction and/or other technical areas? Cape May County Technical School Evening and Continuing Education Division specializes in developing and conducting company/business/government specific training programs. Training can be conducted on-site at your workplace or at the Cape May County Technical School campus.

Call the Technical School Evening and Continuing Education Division at 465-2161, ext. 646 to establish a training program.

## Certificates of Program Completion

The Cape May County Technical School Board of Education through the Evening/Continuing Education Division awards certificates of program completion to students who have completed all requirements in their respective programs. These certificates of hours are presented to students the last night of class by their teachers.

## About Cape May County Technical School Past and Future

The Cape May County Technical School was instituted in 1915 by the Cape May County Board of Chosen Freeholders and is today situated on an 84-acre campus in the Northern section of the Crest Haven Complex (Middle Township) which is easily accessible from Exit 11 of the Garden State Parkway.

The Cape May County Technical School presently consists of one main building which includes the Tozour (100) Building, the Scrivani (200) Building and the Toft (300) Building, as well as auxiliary buildings that include a greenhouse, the Broadley Administration Building, and water front facilities on the sound. Also, baseball, softball and soccer fields have been established on the campus.

The district's educational divisions include a comprehensive high school, a share-time special needs vocational program, evening adult high school program, adult post secondary instruction as well as an Evening/Continuing Education Division program including ABE/GED and ESL instruction.

The district is ready to serve the educational/technical needs of the community well into the 21st century.

## Cape May County Technical School Evening and Continuing Education Division

The Evening and Continuing Education Division offers courses to provide academic, vocational, technical and avocational instruction in Arts, Crafts, Dance, Music, Computers, Cooking, Baking, Language, Health & Fitness, Office/Career Related, Special Training, State License, Vocational/Technical programs and GED, ABE, ESL instruction.

The Cape May County Technical School is committed to serving business, industry, labor unions, and the community through the programs offered in both the day and evening school. In-plant training, emergency short term or long range programs, seminars or courses for particular skills, licensing or certification programs are developed to meet the needs of Cape May County residents.

# Evening School Registration Procedures

## How to Register —

- Registrations will be accepted in the Evening/Continuing Education Office, located in the Tozour Building, Office #145, in the order which they are received (either in-person or via mail) starting on Monday, December 12, 2011, at 8:30 a.m.
- The total course fee must be paid in full at the time of registration.
- The Cape May County Technical School reserves the right to limit registration for courses, to discontinue courses for which there is insufficient registration and to change times, locations and/or course instructors.

## Registration by Mail —

will be accepted from Monday, December 12, 2011, through Wednesday, January 11, 2012.

Please be advised that mail-in registrations received after January 11, 2012, may not be processed in a timely manner.

Select the desired course(s) by name and number and complete the registration form on the back cover of this brochure. **One name and course per registration form please.** Copies of the registration form may be made to register for more than one course.

Be sure the course(s) you select **do not** meet on the same day and time.

Mail your check (made payable to CMC Tech), along with your completed registration form to:

Cape May County Technical School  
Evening/Continuing Education Division  
188 Crest Haven Road  
Cape May Court House, NJ 08210

**Your mail-in registration is accepted as requested unless you are notified to the contrary.** You will not receive a confirming letter so please note for your personal records the course name, the day and time which it meets, as well as the building and room number for your future reference.

If you would like written confirmation enclose a self-addressed envelope with your mail-in registration. A copy of your registration form marked received will then be returned to you.

On the first night of class report to the foyer area in the building which your class meets (as noted in the brochure, the Tozour building, Scrivani building or Toft building) and check the course/room designation chart on display for the specific location of your classroom.

## Payment Method

The Evening/Continuing Education Office, where registration will take place, is located in the Tozour Building, Office #145.

## Other Registration Information

All classes are open to Cape May County residents 16 years of age or older who are not attending full-time day high school. Students who are attending full-time day high school are eligible to attend evening school programs with approval from their legal parent/guardian. Written permission from the legal parent/guardian must be submitted at the time of registration in order for the enrollment to be processed. For some courses, a parent/guardian will be required to register and attend class with their child (if under 18). Please contact the continuing education office for more information.

Class sizes are determined by the nature of the program and classroom space available. Classes will be closed when all seats have been assigned. A waiting list will be started for courses that are closed which will be referred to should seats become available. Note: The waiting list is active only for the current semester.

## Senior Citizen Discount —

For senior citizens (age 60 or older) the registration fee for **non licensing/certified courses** will be 50% of the posted fee plus any material, supply or book fees for the course.

# SYMBOL KEY

## **(+) Course Supply Fee —**

A general course supply fee may be charged in courses in which consumable school supplies are used in the instructional/ learning process. All listed general course supply fees must be paid along with the course fee at the time of registration. These courses will be identified in the brochure with a plus sign (+) next to the course fee and the identified supply fee listed.

## **(\$) Individual Project Supply Fees —**

Individual project supply fees will be charged to students based on the amount of supplies used beyond those included as part of the general course supply fee to complete a personal take home project. Individual project supply fees must be paid in accordance with specific guidelines given to instructors for their specific course. Those courses which have associated project supply fees will be identified in the brochure with a (\$) sign next to the course fee.

## **(++) Course Supplies need to be purchased —**

Some courses require supplies to be used in class which cannot be effectively included in a general supply fee due to the nature of individual appeal (paints, cloth, wood etc.) for projects. Students should note that these courses cannot be productively experienced without purchasing the necessary supplies. These courses will be identified in the brochure with a double plus sign (++) next to the course fee. Instructors will provide students, upon request, with the names of suggested local vendors who handle the necessary supplies.

## **(S) Safety —**

Persons taking a class where power machines, toxic fumes or flammable liquids are being used must wear proper safety clothing, breathing devices and approved eye protection as directed by the instructor, at all times in the shop area. NEW JERSEY STATE LAW REQUIRES THEIR USE. Safety rules and regulations will be enforced. Eye protection — glasses/goggles — may be purchased in the school store at a nominal fee prior to attending the first meeting of the class. Classes that require safety agreements will be identified in the brochure with an (S).

## **Free Courses —**

All courses are tuition courses, except Adult Basic Education, Adult High School, General Education Development (GED) and English as a Second Language (ESL), which are supported by state and federal funds.

***Arrangements can be made for all of the information contained in this brochure to be better profiled to individuals with limited English language skills, or with impaired sensory, manual or speaking skills, to enable them to benefit as qualified, for the programs/ activities listed. Please call 465-2161 x646.***

## **Textbooks —**

Courses requiring a book are indicated by a “plus textbooks” statement next to the listed registration fee. Some textbooks must be paid for at the time of registration and will be given out the first night of class. There is no need to go to the book store if books were paid for at registration. Otherwise textbooks may be purchased at the school store located in the Tozour 100 Building the first evening of class. The school store is open 4:00 p.m. to 7:30 p.m., the first two weeks of the semester when classes are in session.

## **School closing —**

If conditions require closing the Cape May County Technical High School day time program, all Evening/ Continuing Education courses will also be cancelled. If day classes are held and inclement weather becomes a factor, a decision will be made by 3:00 p.m. as to the cancellation of classes. This decision will be broadcast over radio stations WZXL 100.7 (FM), WCZT 98.7 (FM), WFPG 96.9 (FM), WMGM Ch 40 TV, between 3:00 p.m. and 7:00 p.m. Also, a special automated answering machine will be in operation to give you updated emergency class cancellation information by dialing 465-2161 ext. 263. **Class cancellations will not be rescheduled.**

## **Refunds —**

Since classes are based on a sufficient number of paid registrations **refunds cannot be given for any reason after the first meeting of the class unless the class is cancelled** by the Evening/Continuing Education Division.

Refund requests must be made by completing a “Refund Request Form,” and returning it to the Evening/ Continuing Education Office.

Refunds must be approved by the administration and processed through the business office. Refunds take 6 to 8 weeks to process.

## SALTWATER FISHING SERIES (ST11)

A

Featuring Captain Dick Herb & Bob Jackson. These local experts will be on hand to share with you their professional expertise in helping you prepare to get the most out of your fishing trips. This exciting seminar series will feature professional techniques and insights on when, where, what, as well as the "how to" of saltwater fishing in: the back bay, inshore, offshore and surf areas. The fishing for and catching of local species of saltwater will be highlighted throughout the series.

### Session 1 (3/5) Back Bay Fishing with Captain Dick Herb

Captain Herb is a local charter boat captain with more than 30 years of local fishing experience. He is a member of the Cape May County Party Boat & Charter Association. His seminar will review tackle selection, rigging and presentation of baits, professional fishing techniques and fishing strategies. Fishing for and catching local species of saltwater fish will be highlighted throughout the session.

### Session 2 (3/12) Inshore Boat Fishing with Captain Dick Herb

This session will review tackle selection, rigging and presentation of bait, boat handling, professional fishing techniques as well as fishing strategies. Fishing for and catching of local inshore saltwater fish will be highlighted throughout this session.

### Session 3 (3/19) Offshore Fishing with Captain Dick Herb

This session will review tackle selection, rigging and presentation of bait, boat handling, professional fishing techniques as well as fishing strategies. Fishing for and catching of local offshore saltwater fish will be highlighted throughout this session.

### Session 4 (3/26) Surf Fishing with Bob Jackson

Bob Jackson is a local professional fishing guide with more than 30 years of local fishing experience and operates his own surf fishing guide service. This session will explore the use of equipment used in surf fishing, rigs and other terminal tackle. Baits and lures that catch local saltwater species will be highlighted along with proper release techniques for conservation purposes.

# Technical Program - General Interest

## AUTO REPAIR – BASIC (VPG1) V

A modern car is a complex piece of apparatus and the technical manuals describing various parts and systems were not written with the average driver in mind. We will review the basic parts and systems of a car and show you how to maintain them properly. This course will teach you the basics of car care and maintenance as well as give you some insight into what to do when car trouble develops.

Instructor: Frank Wambold Tozour Building Room 110  
TUESDAY 6:00pm – 9:00pm 10 sessions  
FEE: \$90.00 (S)

## AUTO REPAIR — LAB (VPG2) V

This class is for students who have basic skills in automotive repair, who would like to do minor repairs on their own vehicle under the guidance of a professional ASE certified instructor. All repairs must be approved by the instructor and all vehicles must be removed from the premises after each night of class. Students will learn by working on their own vehicle as well as by assisting others (all parts must be furnished by the student).

Instructor: Frank Wambold Tozour Building Room 110  
THURSDAY 6:00pm - 9:00pm 10 sessions  
FEE: \$90.00 (S) ++

## METRIC MOTORCYCLE MAINTENANCE (VPG7) V

This course is for the motorcycle enthusiast who wants to learn hands-on skills to properly maintain their motorcycle. Basic service, spark plug replacement, oil changes, brake replacement as well as basic trouble shooting will be covered. Bring in your bike and service it! Upon successful completion of this course, you will be prepared to keep your motorcycle in "A1 Running Condition". Note: All bikes must be removed from the premises after each class.

## MISSION STATEMENT

The mission of the Cape May County Technical School is to produce graduates with the necessary skills to compete in the global workplace; the knowledge to pursue higher education, avocational skills for personal growth, achievement of the New Jersey Common Core Curriculum Content Standards, and lifelong learning experiences through the combination of academic, technological, co-curricular and specialty training.

### BELIEFS

1. We believe that each individual has intrinsic value and worth.
2. We believe that respect is the right of each individual.
3. We believe that family is the most important and primary influence on all people.
4. We believe that every person should have the freedom to direct his/her own future.
5. We believe that everyone is responsible for his/her own actions.
6. We believe that everyone needs discipline, structure, and direction.
7. We believe that morals and values are learned.
8. We believe that self-worth is essential in realizing one's potential.
9. We believe that every person has the right to safety and security in his/her environment.
10. We believe that the community benefits from an educated populace.

### GOALS

1. 100% of The Cape May County Technical School's students will graduate or successfully complete their individual educational program and pass a program proficiency test.
2. 100% of the Cape May County Technical School's secondary graduates will be technologically proficient.
3. 100% of the Cape May County Technical School's graduates will be enrolled in higher education, volunteer for military or be employed in a career major within six months of graduation.
4. 100% of the Cape May County Technical School's students will be prepared for careers in a global market.

## Project "Child Find"

Parents and Guardians:

If you have a child between the ages of 3 and 21 years of age who has a physical, communication, cognitive or social disability, call the Cape May County Technical School District, Child Study Team, at 609-465-2161 extension 637, in order to make an appointment for evaluation.

The Cape May Technical School District must identify, locate, and evaluate all children from 3 to 21 years old, who fit the criteria, Project "Child Find" includes all children from the public and non-public schools from the age of 3 to 5 years old (preschool) and children from highly mobile families, such as migratory workers and the homeless. 609- 465-2161 x 637.

Project Child Find is a service of the New Jersey State Department of Education to help identify unserved handicapped children birth to 21 years of age: Project CHILD FIND is funded through a grant from the United States Department of Education.
